When winter threatens deer herds,
keep them thriving with

Kellogg's
DEER PELLETS

Deep snows mean starving, dying deer. But herds fed on Kellogg's Deer Pellets get valuable nourishment and build up vital nutritional reserves against winter feed shortages.

Ten years' field experience has shown that Michigan deer herds increase when fed this palatable natural browse supplement.

Why not include a deer feeding program based on Kellogg's Deer Pellets in your budget for this coming winter? For complete information, write Kellogg's, Feed Sales Division, Battle Creek, Michigan.

Bits O' Talk

Mr. and Mrs. Harry Rowland, Jr., and family of Flint were guests of his brother, Harvey and family, the weekend of the winter sports carnival.

Bob Schulze spent last week at the Denver Sport Show, and this week on business in Texas, expecting to return home this Friday.

Mr. and Mrs. Don Sagasser of Saginaw visited her parents, the Joe Cincialas, over the weekend.

Mrs. Wes Hayes is among those who have been laid low by the flu bug.

Mrs. Bruce Smith suffered a broken ankle while skiing at Skyline Wednesday evening last week.

Guests of Mr. and Mrs. Vernon Gardiner the weekend before last were Mr. and Mrs. Orris Hulet of Wyandotte. Mrs. Gardiner's sister, Mrs. Ernie Rokos and sons George and Bill were over from Traverse City to spend the weekend with her parents, the George Skingleys, and to enjoy the skiing.

Be sure to see the Pyrofax Gas advertisement on page six of this issue. Post Oil Co., Inc.

Miss Tanya Sojka of Rochester spent last week with her grandmother, Mrs. Ernest Borchers and Don. She came home with Mrs. Borchers Friday before last. Mrs. Borchers had taken her nephew Carl Wilhelm Borchers down to Detroit on Wednesday, the 14th, so that he could enter the Coast Guard service, and begin his boot camp training at Cape May, New Jersey. Bill had planned to take the bus down to Detroit to meet his plane, but weather conditions delayed the bus several hours, so after waiting from midnight until around four a. m. Mrs. Borchers and Don and Bill started out in her car instead.

Mr. and Mrs. Bill Tufts returned home Monday of last week from Columbus, Ga., where they had been staying for two weeks while Col. Tufts was taking a refresher course at Ft. Benning, Ga.

Larry Balch arrived home Friday, February 16th, from Korea, having completed his required military service. Larry was overseas a year and four months.

Mr. and Mrs. Joe Cinciala spent Wednesday last in Bay City visiting their parents, Mr. and Mrs. Stanley Gatzka and Mr. and Mrs. Carl Cinciala.

"THE RISE AND FALL OF THE THIRD REICH"
By William L. Shirer

Here for the first time is the complete story of Hitler's Empire, a history of Nazi Germany, written by one of the men best equipped to write it.

No other powerful Empire ever bequeathed to historians such mountains of evidence about its rise and fall as the Third Reich. The allied demand for unconditional surrender produced, when the bitter war was over and before the Nazis could destroy their files, an almost hour-to-hour record of the nightmare Empire built by Adolf Hitler.

This record included the testimony of Nazi leaders and of concentration camp inmates, the diaries of officials, transcripts of secret conferences, army orders, private letters, all the vast paper work behind a conspiracy to conquer the world. Here is the story of Hitler himself, his love affairs, his imprisonment, his passion for the arts of war, his suicide, and the maniacal fury which led him to destroy the country he claimed to love so much.

Here is the record of the German General Staff, the concentration camps, the brutal terror of anti-Semitism, the degradation of the German people, and the little known resistance plots against the Nazis. Here are new and sensational details about the Nazi-Soviet Pact of 1939, the frame-up of leading German generals, the reasons for Germany's failure to invade England, Hitler's secret speeches to his generals, a plot to kidnap the Duke and Duchess of Windsor, and a hundred other inside stories of the war.

Mr. Shirer, who had watched and reported on the Nazis since 1925 spent five years sifting these massive documents. Out of this and his on-the-spot reporting for nearly four decades has come what may well be the definitive history of one of the most frightening chapters of mankind. This is a book for those who are curious now to learn more about the background of the world's present tensions.

This book may be obtained at the Crawford County Library.

This is a
Ford Fairlane door-latch.

There is no other door latch like it. It combines the strength of a bear hug with the precision of a surgeon's fingers. Its action is supple, its sound is solid. Like the 12-month or 12,000-mile warranty* first introduced by Ford, it is undeniable proof of the superb quality built into every Ford car. It may surprise you to find quality so high in a car that's priced as low as the Fairlane (actually under many compacts), but there are many surprises in this newest of automobiles. The fact is, you won't find any new car that gives you Fairlane's big-car room, choice of V-8 zoom and fine-car quality anywhere near Fairlane's surprisingly low price. There's no other new car that combines so beautifully all you ever wanted from a big car—with handling and economy compacts could envy. As a matter of fact, there's never been a buy like Fairlane because there's never been a car like Fairlane—and that's why this all-new car from Ford is now outselling every other "new-size" car. Which is as it should be. After all, how can you beat an unbeatable combination?

*Ford Motor Company warrants to its dealers, and its dealers in turn, warrant to their customers as follows: That for 12 months or for 12,000 miles, whichever comes first, free replacement, including related labor, will be made by dealers of any part with a defect in workmanship or materials. Tires are not covered by the warranty; appropriate adjustments will continue to be made by the tire companies. Owners will remain responsible for normal maintenance service and routine replacement of maintenance items such as filters, spark plugs, and ignition points.

The Answer To Socialized Medicine

It has been charged that the medical fraternity and allied groups have little if any interest in the medical problems of elderly people in the lower-income brackets — and that, therefore, the federal government must provide medical care, preferably by adding it to the social security system.

Those who have been misled into believing that should find much food for thought in a joint announcement made by the National Association of Blue Shield plans and the American Medical Association in mid-January.

The announcement concerned a new, nationwide program of surgical and medical care benefits for all low-income people over 65. The cost is estimated at about \$3 a month. No government subsidies are involved. Single persons whose incomes are \$2500 or less and married couples in the \$4000 and under categories will be eligible. The plan will pay all medical and surgical costs, along with the bills for X-ray, anesthesia, and various tests. People over 65 with higher incomes can also enroll, and in their case an additional charge can be levied by the physician concerned.

Dr. F. J. L. Blasingame, executive vice - president of the AMA, said the plan represents "another important step in the direction of achieving through voluntary, private initiative an effective solution to the problem of meeting health care needs of the aged." And the new plan is in addition to other effective programs — such as the Kerr - Mills bill, passed last year, which provides federal subsidies, through a system of joint federal-state administration, for elderly people in the very low income brackets. Also, there are many state and local welfare programs which provide medical services for people who cannot afford to pay.

These are some of the answers to those who claim that we need socialized medicine, government dominated medicine, or a catch-all program of giving government-paid medicine to anyone drawing social security benefits whether they need assistance or not.

March 2, 1939

Tuesday the firm of Parsons & Wakeley dissolved when the interests of Arthur J. Wakeley were sold to Fred Lamm. Carl S. Parsons and Arthur J. Wakeley purchased the service station business of Earl Nelson and the building of Mrs. Matilda Nelson on August 31, 1930. Since that time these two fine young men have enjoyed a splendid, steady business. Both were industrious and attentive to business and built up a fine patronage. And nobody ever questioned the business dealings they had with them. With the entrance of Fred Lamm into this partnership we bespeak for them the same pleasant relationship that Mr. Parsons enjoyed with his retiring business partner. Mr. Lamm has been employed at the Burke garage for over 20 years with exception of a brief time he worked for Harry Simpson in Monroe. Fred is acknowledged to be as capable an auto mechanic as may be found in any city. The new firm will remodel and enlarge their plant and intend to have one of the best equipped garages in the city.

SCHOOL BAND NEWS

On Wednesday, Feb. 21, 1962 the Grayling High School Band was privileged to host the Gerrish Higgins School Music Department for a high school performance. The school chorus was unable to come because of various reasons, but we were very pleased to hear the junior and senior bands perform. Mr. Henry Verberkmoes, the instrumental director, led his 48 piece senior band in five numbers. Those were: "Cathedral Canyon Overture", "Fantasy for Band", "Band Boosters March", "Trumpets Ole" and "Patricia".

On "Trumpets Ole" they had a quartette of the top four players. "High School, Outlets for a Band", "Trumpets Ole" and "Patricia".

STATE OF MICHIGAN

In The Probate Court for the
County of Crawford
In the Matter of the Estate of
Ethel C. Mason, Deceased.
(No. 2070)

At a session of said Court, held
on the 8th day of February, 1962.
Present: Honorable Beulah
Neafie, Judge of Probate.

NOTICE IS HEREBY GIVEN.
That all creditors of said deceased
are required to present their
claims in writing and under oath,
to said Court, and to serve a copy
thereof upon Frederick H. Mason,
of R.F.D. No. 2, Maple City, Mich-
igan, fiduciary of said estate, and
that said claims will be heard by
said Court at the Probate Office
in Grayling, Michigan, on April
12, 1962, at 2 P.M.

It is Ordered, That notice there-
of be given by publication of a

Dear Mother and Father how
happy you must be to have en-
joyed life together and this is
your 55th anniversary.
Some folks are very special and
that's meant for you today for the
life of happiness you gave us and
the home we could always come to
stay.
There must be many memories
in both your hearts today; mem-
ories of the pleasures 55 years
have brought your way.
You gave birth to five daugh-
ters who love you so dear; we
gave you trouble and heartaches
but through sickness you were al-
ways near. So this brings lots of
love meant for both of you today
that we will be always by your
side until you go far away.
Some day you are to leave us
and we will grieve from time to
time, but we will soon be re-
united in heaven and leave the rest
of the world behind.

Letters To The Editor

Sebring, Fla.
Feb. 18, 1962

Dear Bob:
Another beautiful morning, it
looks like its going to be hot again
today, it was near 90° in the shade
yesterday.

We went to the Church of the
Brethren yesterday A. M., then 3
other families and we went to a
state park, had a basket lunch and
then took an hour tour through
the park — transportation was an
open vehicle drawn by a jeep
the driver (a woman) pointed out
a bay tree (where we get our bay
leaves for seasoning) birds, allig-
ators, gophers, (a land turtle) has
no tail and eats grass, does not
frequent water, otherwise we
would call it a turtle — saw an
American egret (crane family) has
white plumage, yellow beak and
black legs — also saw a smoke
bird, cormorant, armadillo, and
last but not least "robins", they
are in great numbers here and no
doubt on their way north.

Time is going fast — I get up
quite early too — usually between
6:30 and 7:00.

We see the Sniders quite often.
I rather got in the dog house be-
cause I made the statement that
he was going when we arrived
about noon at their house on our
arrival here — let me say Ray is
an early riser (I mean early) some
times as early as 3 a. m. so he is
justified taking a nap in the middle
of the day. I want to say further,
that Ray has added a nice double
garage and additional living and
bath facilities to their home, and
has done much of the work him-
self.

We are fortunate to have made
friends here that have a citrus
grove and they keep us supplied
with tangelos, a cross between a
grapefruit and tangerine — they
are the most delicious citrus fruit
I've ever eaten. I only wish
more Northern people could evade
some of the winter and enjoy this
nice climate and what it provides.
It is heart rending to see the
thousands of bushels of citrus
fruit laying on the ground rotting
— I can't say why it is left to fall
before pickers come in for the
harvest.

While every thing is so lovely
here I will be glad to be home a-
gain, (hope snow is gone) we plan
to start back around 20th of
March. Mom wants to leave for
Grayling March 29th to spend a
week in Independence, Mo., at the
Religious Church World's Confer-
ence.

All best wishes and hope every
one is withstanding the winter

Sincerely,
Dan and Leta Babbitt

OUR GANG

Mrs. Frank Serven was hostess
to Our Gang on Thursday, Febru-
ary 15th. Nineteen ladies were
present. Game prizes went to Mrs.
Eugene Papendick, Mrs. John Ste-
phan, Mrs. Charles Corwin and
Mrs. Leo Palmer. The hostess won
the penny prize. Mrs. Bernice
Winston, Mrs. Warren Hatfield
and Mrs. Barton Wakeley served
on the lunch committee.
The next meeting will be at the
home of Mrs. Clarence Roberts on
March 1st, at which time Mrs.
Hurl Deckrow is to furnish the
birthday cake.

Frederic Woman's Club

The Frederic Woman's Club
met at the home of Mrs. Sally
Hartig, Thursday evening, Febru-
ary 15th with only nine members
present.

Several members including our
president Mrs. Jeanne Rouse were
absent because of the flu.

Our vice-president Mrs. Letha
Leng conducted the business
meeting.

We decided to make another
quilt, using the State bird pat-
tern, for our next money making
project. Each member will em-
broider a share of the blocks and
Mrs. Letha Leng has kindly offer-
ed to quilt it for us.

Included in our Spring Clean-
up plan is planting flowers in
front of the Town Hall.

Mrs. Sally Hartig and Mrs. Nat-
alie Weaver served a delicious
lunch to the group.

Hospital Auxiliary News

Eighteen members of the Hos-
pital Auxiliary met February 8th
at the hospital at one-thirty in
the afternoon. The regular busi-
ness meeting was presided over by
President Mrs. Carl E. Johnson.

Following the meeting Valen-
tine favors made by Treva Engel
and Ruth Norenberg to be used
on patient trays were displayed.

Aluncheon was then served by
Mrs. Emma Knibbs and Mrs. Mary
Sisco.

The Incredible Piston Ring

You don't have to be very old
to remember when the number
one mechanical fault of used cars
(and some new ones) was exces-
sive oil consumption.

F. C. Welsh The fact that
this complaint is seldom heard
these days is due largely to the re-
search and efficiency of several firms
that produce precision piston rings
for the auto makers. Their un-
sung accomplishments have vir-
tually made the incredibly high
efficiency of today's com-
bustion engine possible.

The acceptable standard for
rings was to get 600 miles per
quart, after the break-in period
for 25,000 miles without engine
scuffing or blow-by. Now that standard is 1500 to
2000 miles per quart for 50,000
to 100,000 miles in an engine in
which pressures, temperatures
and speeds have climbed enor-
mously.

Approximately 320 million
piston rings are made annually
in the United States each year,
of which half go into new cars
and the remainder into used.
Roughly 70 percent of used
cars receive a "ring job" before
they are scrapped.

It naturally follows that any
engine component as critical as
a piston ring requires the high-
est degree of mechanic skill in
installation if the manufactur-
er's excellence is not to be wast-
ed. Rings must be fitted to be
light tight around the cylinder,
yet slide easily to leave a mi-
croscopic film of oil.

A "ring job" is no task for
amateurs or do-it-yourself
handymen. If your car needs
rings, and the general worth
justifies the job, take it to a
franchised car dealer whose
mechanics are equipped and
trained to do the job.
